This Court referred to the United States Magistrate Judge the petitioner's emergency petition for return of child. Following evidentiary hearing, the Magistrate Judge entered Findings and Recommendation, recommending that the petition be denied.

The Court has conducted de novo review pursuant to Rule 72(b) F.R.Cv.P. and finds that the cogent and thorough Findings and Recommendation should be adopted and affirmed.

It is the Order of the Court that the petitioner's emergency petition for return of child is hereby DENIED. The minor child shall remain with Respondents pending the resolution of custodial issues with the District Court in and for Carter County, Oklahoma.

ORDERED THIS 9th DAY OF MARCH, 2006.
